

A watercolor illustration featuring various wine and food items. In the top left, a glass of red wine sits next to a glass of white wine. To the right is a wedge of Swiss cheese and a bunch of purple grapes. On the right side, there's a mechanical corkscrew and a small bottle of rosé. The bottom left shows a tall flute glass of sparkling wine, a green bottle, and a piece of cheese. The bottom center and right show more wine bottles and a large glass of white wine. A large, textured blue circle is centered over the image, containing the event title and details.

Wine on the Wando

Enjoy an evening learning about the nuances of tasting wine with different foods. Heavy hors d'oeuvres and sweets will accentuate the wine pairings -- 3 red, 3 white and one dessert. The event will be led by Taylor Stephens at the home of Bill & Peggy Schickler.
